

# ST. GEORGE CATHOLIC CHURCH

BATON ROUGE, LOUISIANA

OPUS 1982

2 MANUALS, 13 RANKS

THE REUTER ORGAN COMPANY

*Reuter Opus 1982 was originally built in 1979 for St. Aloysius Church in Baton Rouge, Louisiana. In 2010 it became available for relocation and was acquired by St. George Catholic Church, also in Baton Rouge. Components of the instrument were transported back to our Lawrence facility for renovation. The updated design incorporates some additional pipework from the existing parish instrument to expand its tonal resources. The new installation utilizes existing organ chambers and also features exposed pipework based on the original façade.*
