## ST. CHARLES BORROMEO CATHOLIC CHURCH

FORT WAYNE, INDIANA
OPUS 2237
2 MANUALS, 29 RANKS
THE REUTER ORGAN COMPANY

Reuter Opus 2237 is a two-manual instrument with generous tonal resources. A number of stops on the Great division are enclosed to increase the organ's versatility. The design of the instrument required re-engineering of existing HVAC components to create a new space for a practical, aesthetically pleasing installation. The project was developed with the assistance of Paul Skevington, who served as the church's organ consultant.
