MIDLAND, TEXAS

OPUS 2231

2 MANUALS, 7 RANKS

THE REUTER ORGAN COMPANY

*Reuter Opus 2231 was originally built as a five-rank unit organ. It was completed in 2007 and was displayed in the company office suite for several months. When Holy Cross Lutheran Church contacted us to discuss providing an organ for their newly completed sanctuary, we offered to expand the specification of this instrument to include an 8' Trumpet and a celeste rank to be paired with the 8' Gemshorn. We also enclosed the pipework, with the exception of the Principal rank, in a lyptus wood case with expression shades. The result is a very versatile instrument with an elegant visual effect.*
